About Us

Multiple talents integrated in 2014, and as a team rose to emerge as the best ever vertical transport solutions in Nepal. Our vision of being the leading name in the vertical transport industry impels us every day for growth and quality.

Within the journey since our origination till date, we, the ESN team have been persistent in providing superior service through a keen focus on customer based engineering and technical advancement so, have successfully been able to create a mark on our customers. Right from the onset, we have always inhibited the "Customer First Philosophy" to keep our customers on the prime priority.

We equip you with all kinds of vertical transport systems including sales of our products (elevators, escalators, multilevel car parks, moving walks and many more) plus the services associated with so.

Mission Statement

Our vision of being the leading name in the vertical transport industry impels us every day for growth and quality along with our "Customer First Philosophy" to keep our customers on the prime priority.

1 Merchandise / Products

All kinds of vertical transport machineries (Elevators, Escalators, Car Parking, Moving Walks, and Scissor Lift) and the associated appliances.

2 Inauguration / Setup

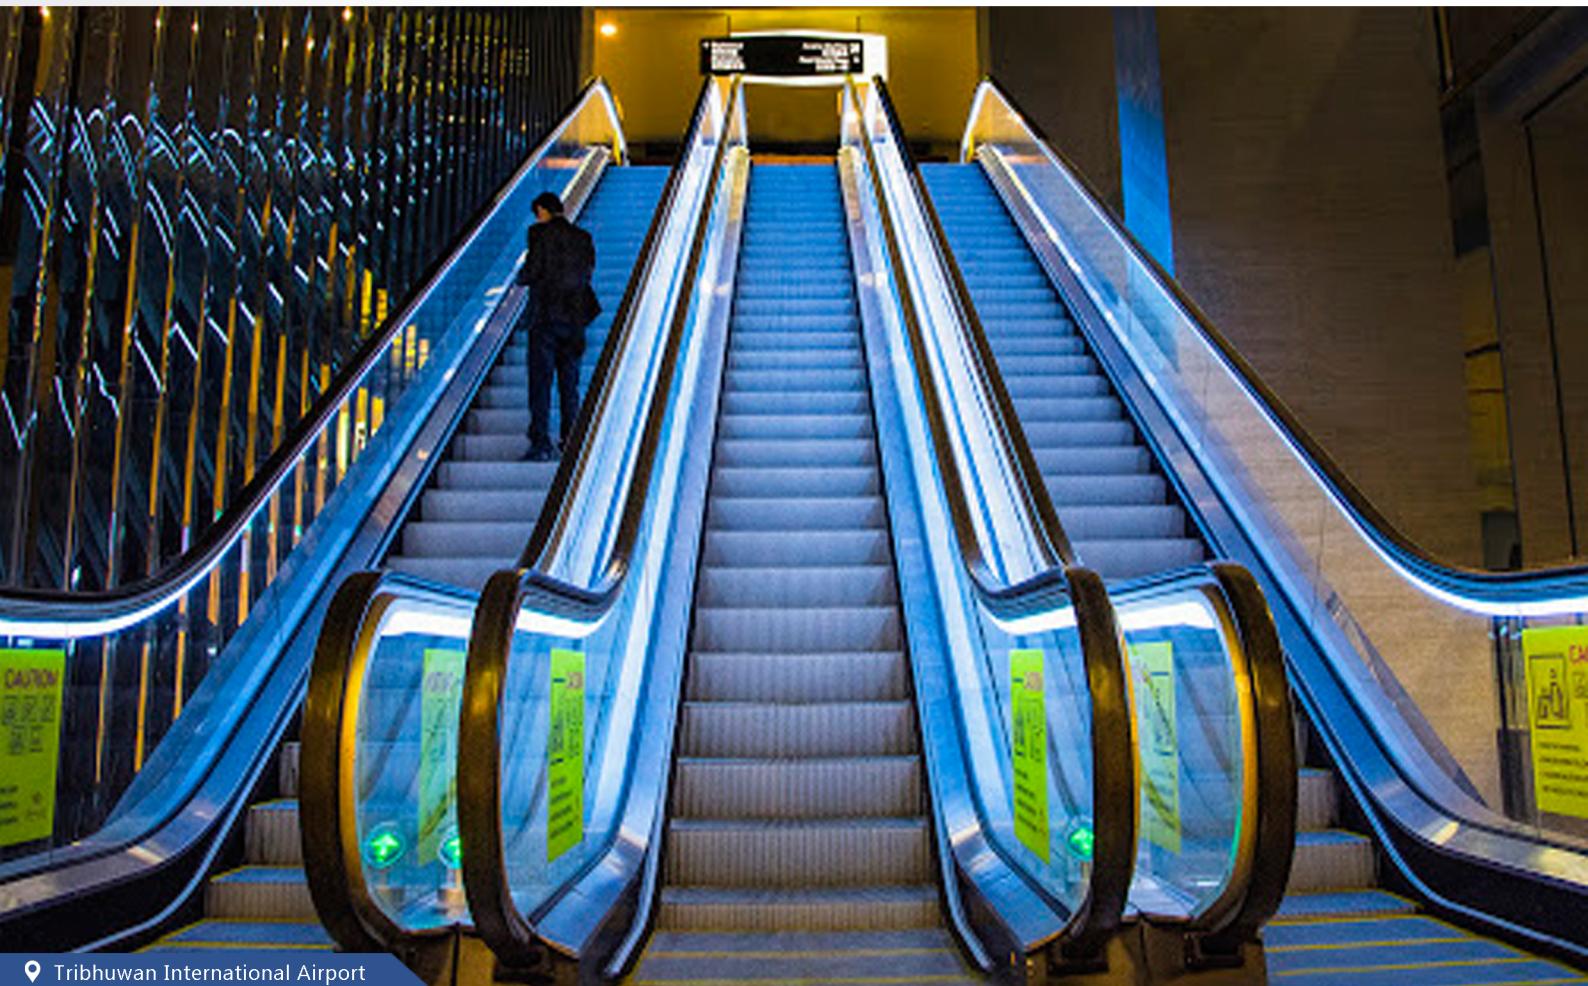

To first install the product in your place, setting up devices and getting ready for implementation.

3 Upkeep / Continuation

Sustaining the services, maintaining subsequent issues and add on new products or revamp the existing.
